

Green Youth Movement-Prime Minister Youth Program

Higher Education Commission in Collaboration with Kamyab Jawan Program, initiated a Green Youth Movement (GYM) Program. The aim of the program is,

- To Sensitize and Organize young people to contribute towards environmental conservation and green economy through actions that promote behavioral change and Eco-innovation.
- To mentor and promote young Eco-innovators at national, regional and international level harness global breakthroughs on Eco-innovations for Pakistan.
- Help universities become living labs for green innovation and practices for example Deforestation, Water Management, Water Conservation etc

The **Focus** areas are,

- Agriculture and Forestry
- Energy Conservation
- Water Conservation
- Liquid and Solid Waste

For the above said programs, according to the HEC directives, 137 Public Sector Universities has to establish "On Campus Clubs" of Green Youth Movement. The GYM Club will be consists of ***Captain, Vice Captain, Thematic Leads of Focus Areas*** and ***Members***.

Periodic Engagement for awareness and innovation

- Green Sports Competition (Conventional and Non-Conventional Community based solutions to environmental issues)
- Exposure Visits
- Capacity Building Sessions
- Boot Camps-Eco innovations

The **Benefits** of joining GYM Club is,

- Youth with winning ideas to be sent for Mentorship to international universities.
- International participation in COP (Conference of Parties) for selected youth.
